Starting from 2023, approval for new funding will not be granted if the Fellowship Applicant has not submitted outstanding/overdue report(s)/certified financial statement(s) and audited account(s)/outcome evaluation surveys for his/her other grants supported by the HMRP. 3. The purpose of this evaluation is to provide a quantitative and qualitative assessment of the outputs and deliverables of projects supported with public money. The information provided will be invaluable in helping the Health Bureau determine among other things to what extent the research findings have contributed or may contribute to informing health policies and enhancing practice/changing behaviour, identifying knowledge gaps that may be worthy of further support, and whether the supported research represents good value for money. <p>Should you have technical issues in completing this online survey, please email to us egmsenquiry@healthbureau.gov.hk.</p> <p>Thank you very much.</p>	<p>Step 1 :</p> <p>Email notification for complete the outcome evaluation survey will be received.</p> <p>- Please click on the eGMS URL to go to the eGMS login page.</p>

A. PUBLICATIONS, PATENTS AND OTHER INTELLECTUAL PROPERTY

A1. List the publications, patents and other intellectual property published, in press or filed that have resulted directly from the research project.

Please use one of the following letters to categories each publication or other intellectual property:

1 = peer-reviewed journal article
2 = book / book chapter (as author)
3 = book (as editor)
4 = patent
5 = others, please specify (e.g. journal editorial, journal letter, published abstract in journal, non-peer-reviewed journal article, published conference proceeding, publicly available full report, etc.)

Step 5:

- Fill in the outcome evaluation.

B. CAPACITY BUILDING

B1. Has participation in the research led to **additional formal qualifications** for any member of the project team or other research staff / post-graduate students etc, or is it likely to do so?

☐ Yes
☐ No
If Yes, give details below; If No, go to B2

I. Any member of the project team

Type of qualification awarded to project team member	Please specify if 'Other' is chosen	Name of person gaining/expected to gain* qualification		Contribution from the research project	Delete

C. POLICY MAKING

C1. Have the findings from your research project been used in **policy / decision making** at any level of the health service?¹

☐ Yes ☐ No ☐ Don't know *If Yes, give details below; If No, go to C5*

¹Examples of the use of negative results from studies (despite adequate statistical power) should be included.

C2. Give details of the use including: the **levels** at which policies / decisions were influenced; and the **importance** or impact of the research project's findings to the adoption of the policy / decision.

Use the following letters to categorise the level influenced.

Geographical level
A = local (China - Hong Kong) B = national (China - Mainland) C = international

Organisational level in local / national / international context
D = Legislative Council E = Health Bureau F = Department of Health
G = Hospital Authority H = Universities / schools (please specify)
