Click "Cancel" to cancel the submission action.

Confirm

⚠

In submitting the claim form, please note the following

- Reimbursed amount must be within the approved ceiling of each budget item, and no previous payment has been made.
- Spending should be in accordance with the approved budget and grant conditions. Prior approval is required for any changes, including change in staff mix and new budget items.
- Spending must be contained within the approved budget ceiling for these earmarked items: Audit Fee, Travel and Subsistence, Pub
- Flexibility will be allowed for:
    - overspending on one or more budget items provided that the accumulated overspending is within 10% of the approved budg
    - increase in monthly salary which is within 10% of the approved budget
- And on condition that the total expenditure for the respective category is kept within the approved budget ceiling.
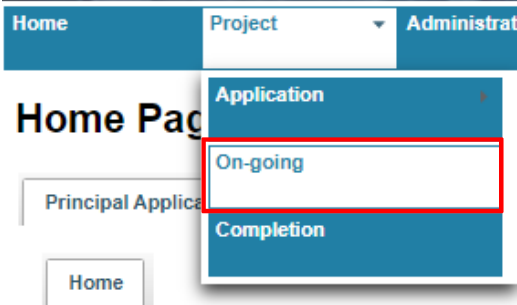

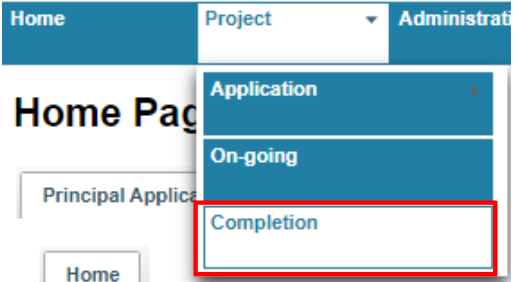

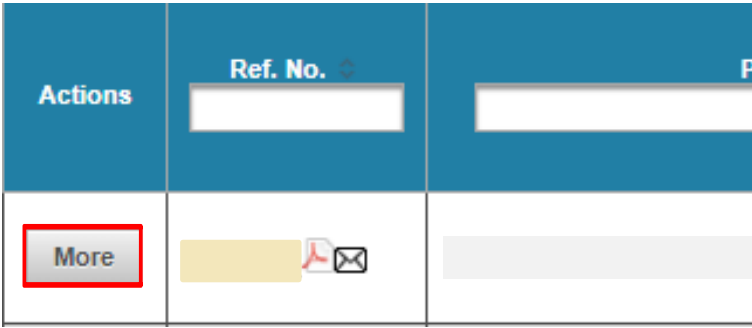

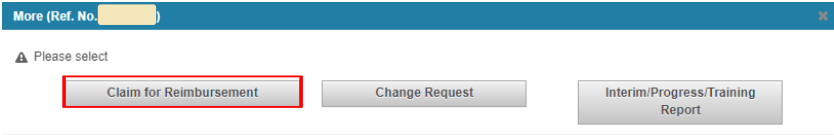

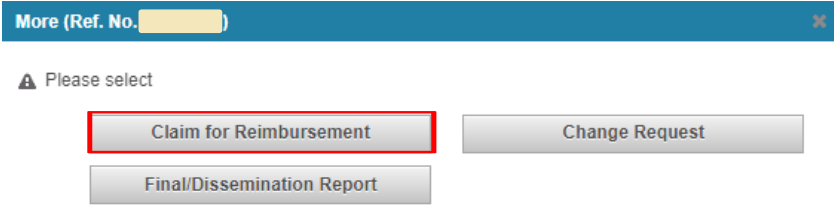

[Yes] [No]

Step 6

- Click "Yes" to confirm the submission the claim form to RFS.

Step 7

Send the hard copy of the claim form signed by FA and FO to RFS. Please refer to the print function on P.5.

Print the Claim Form

	Step 1: Go to Project > On- going Or Go to Project > Completion
	Step 2: Select "HMRF" under Scheme, and "FE" under AOP. Click "Search". Click "More". .
(For On-going) (For Completion) 	*Step 3:* Click "Claim for Reimbursement".

Submission of Outcome Evaluation Survey

(Function for Outcome Evaluation Survey will be activated by RFS in due course)

|	
Sample of email notification sent to FA for complete the outcome evaluation survey Subject: eGMS : Attn: (The Name of Fellowship Applicant) - Outcome evaluation survey of project funded by the Health and Medical Research Fund(Ref No) (2 years / 4 years) after project end date Dear (The Name of Fellowship Applicant), **Outcome evaluation of projects funded by the Health and Medical Research (HMRF)** I am writing to invite you to complete the outcome evaluation survey of your project funded by the HMRF - • Reference No.: (Ref No) • Project Title: (Project Title) • Principal Applicant: (The Name of Fellowship Applicant) • Project Commencement Date: (Commencement Date) • Project End Date: (End Date) • Time point of this Outcome Evaluation Survey: (2 years / 4 years) From 2023 onwards, Fellowship Applicants are required to complete outcome evaluation surveys at **two time points, i.e. 2 years and 4 years after the project end date**. This arrangement will allow more time for outcomes and impacts derived from the research findings and health promotion projects to accrue, especially policy impacts and behaviour/practice changes. Fellowship Applicants are advised to maintain records of evidence of impacts/outputs generated from the funded grants. Please login to (eGMS URL) to complete the survey by (due date). Access path: Project > Completion > More > Outcome Evaluation Survey *Importance of your reply* 1. It is a **contractual requirement** that "*The Fellowship Applicant and the Institution shall provide to the Government such information relating to the Project as the Government may reasonably request for the purpose of auditing and evaluating the Project*." The Research Fund Secretariat **maintains the track records of grant applicants including completion of this survey for outcome evaluation**. 2. Starting from 2023, approval for **new funding will not be granted** if the Fellowship Applicant has not submitted outstanding/overdue report(s)/certified financial statement(s) and audited account(s)/**outcome evaluation surveys** for his/her other grants supported by the HMRF. 3. The purpose of this evaluation is to provide a quantitative and qualitative assessment of the outputs and deliverables of projects supported with public money. The information provided will be invaluable in helping the Health Bureau determine among other things to what extent the research findings have contributed or may contribute to informing **health policies and enhancing practice/changing behaviour, identifying knowledge gaps that may be worthy of further support**, and whether the supported research represents good value for money. Should you have technical issues in completing this online survey, please email to us *egmsenquiry@healthbureau.gov.hk*. Thank you very much.	*Step 1 :* Email notification for complete the outcome evaluation survey will be received. - Please click on the eGMS URL to go to the eGMS login page.
	Step 2: 1. Go to the eGMS Login page. 2. Enter login email. 3. Enter password and click '==Login=='.
	Step 3: Go to project > Completion

or

Project Reference No. _____

Project Title _____

Start Date _____ . End Date _____ Approved Amount ($) _____

Project Close Date _____

Administering Institution (AI) _____

A. PUBLICATIONS, PATENTS AND OTHER INTELLECTUAL PROPERTY

A1. List the publications, patents and other intellectual property published, in press or filed that have resulted directly from the research project.

Please use one of the following letters to categories each publication or other intellectual property:
1 = peer-reviewed journal article
2 = book / book chapter (as author)
3 = book (as editor)
4 = patent
5 = others, please specify (e.g. journal editorial, journal letter, published abstract in journal, non-peer-reviewed journal article, published conference proceeding, publicly available full report, etc.)

Publications, patents and other intellectual property	Category	Delete
No records found.		

[Add]

B. CAPACITY BUILDING

B1. Has participation in the research led to **additional formal qualifications** for any member of the project team or other research staff / post-graduate students etc, or is it likely to do so?

○Yes ○No *If Yes, give details below; If No, go to B2*

I. Any member of the project team					
Type of qualification awarded to project team member	Please specify if 'Other' is chosen	Name of person gaining/expected to gain* qualification		Contribution from the research project	Delete
		Gained	Expected*		
No records found.					

[Add]

II. Any project staff, post-graduate students, etc					
Type of qualification awarded to research staff, postgraduate students, etc.	Please specify if 'Other' is chosen	Name of person gaining/expected to gain* qualification		Contribution from the research project	Delete
		Gained	Expected*		
No records found.					

[Add]

*include post-graduate degrees currently in progress

B2. Has participation in the research led to **career advancement** for any member of the project team?

○Yes ○No *If Yes, give details below; If No, go to B3*

Name of team members	Changes in post		Contribution from the research project	Delete
	From	To		
No records found.				

[Add]

B3. Have the research project findings or methodology or theoretical developments **generated subsequent research** by any member of the project team?

○Yes ○No *If Yes, give details below; If No, go to B4*

Funder	Amount ($)	The importance of the research project to securing later funding	Delete
No records found.			

[Add]

B4. Are you aware of any significant ways in which your research project has contributed to further **research conducted by others**?

○Yes ○No ○Don't know *If Yes, give details below; If No, go to B5*

Project team	Research project title/topic	The importance of your research project to further research by others	Delete
No records found.			

[Add]

B5. Did you **collaborate / enter into partnership** for the purpose of completing this project?

○ Yes   ○ No   *If Yes, give details below; If No, go to C1*

N.B. The list should tally with the authorship of the Final Report / Dissemination Report. If not, clarify under "Remarks".

During the conduct of this project the Principal Applicant (PA) collaborated / had a partnership with the following personnel from:*		
Personnel from...	**Personnel name / Department / Institution**	**Remarks**
...the PA's department		
...another department at the PA's institution		
...another institution in Hong Kong		
...an institution in Mainland China		
...an institution overseas (specify)		

* list all that apply

C. POLICY MAKING

C1. Have the findings from your research project been used in **policy / decision making** at any level of the health service?[1]

○ Yes   ○ No   ○ Don't know   *If Yes, give details below; If No, go to C5*

[1]Examples of the use of negative results from studies (despite adequate statistical power) should be included.

C2. Give details of the use including: the **levels** at which policies / decisions were influenced; and the **importance** or impact of the research project's findings to the adoption of the policy / decision.

Use the following letters to categorise the level influenced.
Geographical level
A = local (China - Hong Kong)   B = national (China - Mainland)   C = international
Organisational level in local / national / international context
D = Legislative Council   E = Health Bureau   F = Department of Health
G = Hospital Authority   H = Universities / schools (please specify)
I = Professional organisations (please specify)   J = Non-governmental organisations (NGOs) (please specify)
K = Others (please specify)

Policy / Decision Making	Geographical level	Organisational level	Degree of impact of research on policy/decision making	Delete
No records found.				

[Add]

C3. Give **a detailed narrative** explaining on how the research project findings led to or underpinned the health system policy or decision making listed in C2 , the beneficiaries, when the impact occurs/occurred, and evidence **evidence**[2] illustrating the extent of the impact.

[2]Evidence of policy relevance could take many forms including: citing / using research project findings in policy documents, treatment guidelines and protocols, being members of a committee issuing a policy document or a treatment guideline, inclusion of findings in a contract or in a document from an audit, an inspectorial or an evaluative body etc.

Policy / Decision Making	Detailed narrative explaining on how the research project findings led to or underpinned the health system policy or decision making, the beneficiaries, when the impact occurs/occurred, and evidence[2] illustrating the extent of the impact. (Indicative maximum 500 words)	Delete
No records found.		

[Add]

C4. Did the impacts listed in C3 result from research findings of more than one project? If so, provide details of the other projects, i.e. Name of funding agency, Title, Reference number, Principal Applicant, Approved amount, Start/End dates.

○ Yes   ○ No   *If yes, please specify*

Name of Funding Agency	Project Title	Reference Number	Principal Applicant	Approved Amount (HK$)	Project Start Date	Project End Date	Delete
No records found.							

[Add]

C5. Have you or your project team members participated in **health-related policy / advisory committees** as a direct outcome of this research?

○ Yes   ○ No   *If Yes, give details below; If No, go to D1*

Name of health-related policy / advisory committees	Post title	Contribution from the research project	Delete
No records found.			

[Add]

CHANGES IN PRACTICE

D1. Have the findings from your research project led to **changes**, either directly or through the application of research-informed policies, **in behaviour and / or practice?**[3]

○ Yes   ○ No   ○ Don't know   *If Yes, give details below; If No, go to E1*

[3]Examples of the use of negative results from studies (despite adequate statistical power) should be included.

D2. Specify the **research end users** whose behaviour and / or practice has changed, the **level** at which any change occurred, and how important the research project findings were in changing behaviour and/or practice.

Use the following letters to categorise the <u>level</u> and <u>research end user</u> in which behaviour and/or practice have changed.
Geographical level
A = local (China - Hong Kong)   B = national (China - Mainland)   C = international
Organisational level in local / national / international context
D = Legislative Council   E = Health Bureau   F = Department of Health
G = Hospital Authority   H = Universities / schools (please specify)
I = Professional organisations (please specify)   J = Non-governmental organisations (NGOs) (please specify)
K = Others (please specify)
Research end users
L = Medical / allied health professionals / other providers
M = Health care managers/administrators
N = Health service users / the wider public

Behaviour / Practice	Geographical level	Organisational level	Research end user	Degree of impact of research on behavioural changes	Delete
No records found.					

Add

D3. Give **a detailed narrative** explaining how the research project findings led to or underpinned the changes in behaviour and/or practice listed in D2, the beneficiaries, when the impact occurs/occurred, and **evidence** [4] illustrating the extent of the impact.

[4]Evidence of changes in behaviour and/or practice could take many forms including: treatment guidelines and protocols, standard operating procedures, surveys of end-users, etc.

Behaviour / Practice	Detailed narrative explaining on how the research project findings led to or underpinned the changes in behaviour and/or practice, the beneficiaries, when the impact occurs/occurred, and evidence[4] illustrating the extent of the impact. (Indicative maximum 500 words)	Delete
No records found.		

D4. Are the above impacts listed in D3 result from research findings of more than one project? If so, provide details of the other projects, i.e. Name of funding agency, Title, Reference number, Principal applicant, Approved amount, Start/End dates,.

○ Yes   ○ No   *If yes, please specify*

Name of Funding Agency	Project Title	Reference Number	Principal Applicant	Approved Amount (HK$)	Project Start Date	Project End Date	Delete
No records found.							

Add

E. KNOWLEDGE TRANSFER AND LONG-TERM IMPACT

E1. State whether any of the following **dissemination activities** have been based on or resulted directly or indirectly from the findings of this research project.

Dissemination activities	
Conferences / workshops primarily for academics (e.g. keynote, speech, invited speaker, oral or poster presentation)	○ Yes ○ No
Conferences / workshops primarily for practitioners / service users (e.g. keynote, speech, invited speaker, oral or poster presentation)	○ Yes ○ No
Media presentations (e.g. Press conferences / briefings; Interview / article (newspapers, magazines, TV, radio, etc)	○ Yes ○ No
Other (please specify)	○ Yes ○ No

Previous evaluations have suggested that *liaison between researchers and potential users of the research findings* before starting the project or while it was in progress was a factor in subsequent utilisation of the findings.

E2. Did you liaise with **potential users of the research findings…**

…before starting the project?   ○ Yes ○ No

If YES, with whom did you liaise?

…during the research project?   ○ Yes ○ No

If YES, with whom did you liaise?

E3. Was such liaison a factor in whether the research findings were subsequently utilised or not?

○ Yes ○ No

E4. What aspects of the liaison were most important in determining whether the research findings were used or not?

E4. What aspects of the liaison were most important in determining whether the research findings were used or not?

E5. Were there **facilitators or barriers** that account for the research being utilised or not?

Facilitators: ○Yes ○No

If yes, please specify

Barriers: ○Yes ○No

If yes, please specify

D. Implementation (setting and organizational level) - How closely the actual implementation met the planned criteria to assure maximum reach and effectiveness?

D1. How closely the actual implementation met the planned criteria? Please select one below.

○ No Criteria Met
○ Somewhat Met
○ Moderately Met
○ Mostly Met
○ All Met

D2. Were there any barriers (internal and external) identified for the implementation of your project strategies?

☐ No   ☐ Yes (Give details below)

D3. What solutions did your project develop in response to problems/challenge, if any? e.g. availability, accessibility and affordability of health promotion material, etc.

E. Maintenance (individual or setting level) - the extent to which a programme or policy becomes institutionalised or part of the routine organizational practices and policies.

E1. Has your project been incorporated in the core business of the agencies/organizations?

☐ No   ☐ Yes (Give details below)

E2. Did new structures and processess emerge to enable the ongoin health promotion interventions?

☐ No   ☐ Yes (Give details below)

E3. Have funding or supports been sought or secured from other sources to continue or extend your project?

☐ No   ☐ Yes (Give details below)
